# Equal Opportunities Policy for Staff

September 2022

## EQUAL OPPORTUNITIES POLICY STATEMENT FOR STAFF

Cokethorpe School is an equal opportunities employer.

In order to promote an environment within which the School can call upon the widest possible range of knowledge, skill and experience, as well as ensuring compliance with the relevant legislation and codes of practice, we are committed to achieving and maintaining a workforce which represents the population within our recruitment area in terms of race or colour, nationality or national or ethnic origins, religion or belief, sex, sexual orientation, pregnancy or maternity, marital or civil partnership status, gender reassignment, age and disability (together known as 'Protected Characteristics').

To this end, we shall regularly review the operation of our recruitment, promotion and training and develop policies to ensure that no applicant for employment or member of staff is disadvantaged by conditions or requirements which cannot be shown to be justifiable.

No employee or prospective employee will receive unfair or unlawful treatment on the grounds of a Protected Characteristic, because they are perceived to have a Protected Characteristic or because they are associated with someone who has a Protected Characteristic, in particular but not only, in relation to:

- Recruitment and selection
- Promotion, transfer and training opportunities
- Benefits, terms and conditions of employment
- Grievance and disciplinary procedures
- Termination of employment including redundancies
- Conduct at work
- Procedures ensure fair and equitable treatment in relation to admission and assessment of students.

The principles of non-discrimination and equality of opportunity also apply to the way in which staff must treat visitors, pupils, parents, suppliers and former members of staff.

The School is a Christian foundation and is registered with the Secretary of State as being a designated religious character. This may be considered when recruiting teaching staff, where appropriate to do so.

### Implementation

The School with the assistance of the staff will:

- Break down any barriers to equality of opportunity which may prevent staff members realizing their full potential or accessing benefit.
- Advertise vacancies and ensure job selection criteria are appropriate for the job.
- Promptly and fully investigate all complaints of discrimination and harassment, taking appropriate action where necessary.
- Ensure that all members of staff are fully informed and trained on matters relating to equal opportunities.
- Monitor the composition of the School and the effects of its recruitment practices.
- Review and examine existing procedures to ensure they are not discriminatory in their operation.
- Use language in official communication which reflects the letter and spirit of the School's inclusive approach.

### Disability

If you are disabled or become disabled, we encourage you to tell us about your condition so that we can support you as appropriate.

A disability will not of itself justify the non-recruitment of an application for a position at the School. Such reasonable adjustments to the application procedures shall be made as are required to ensure that applicants are not disadvantaged because of their disability. For example, where written tests are used, alternative arrangements will be made for visually impaired applicants.

If you experience difficulties at work because of your disability, you may wish to contact your Head of Department, the School Nurse or the Deputy Head to discuss any reasonable adjustments that would help overcome or minimise the difficulty. We may wish to consult with you and your medical adviser about the possible adjustments, and you may be required to give your consent to a report being produced about your state of health and ability to perform your duties. We will consider the matter carefully and try to accommodate your needs within reason. If we consider an adjustment would not be reasonable, we will explain our reasons and try to find an alternative solution where possible. Once an adjustment has been made, its operation may need to be reviewed at agreed intervals to assess its continuing effectiveness.

The School will make such adjustments to work arrangements or School premises as are reasonable to enable a disabled staff member to carry out his or her duties. This will include, but is not limited to, consideration of the provision of specialist equipment, job redesign, flexible hours.

Where during their employment, a disabled member of staff recognises their need for a reasonable adjustment to be made to work arrangements or School premises, he or she should discuss this requirement with the Bursar.
