

From the Headmaster
Damian J Ettinger BA, MA, PGCE

June 2023

Dear Parents

I wrote in March with news of the findings from our ISI Inspection Report, the ‘**Excellent**’ rating in the two key Quality of Education measures, and the matters related to our Single Central Record of employment checks requiring improvement.

I am writing to relay that the Progress Monitoring Inspection, requested to confirm those matters had been appropriately handled, took place shortly before half term. The ISI’s follow up inspection confirmed the robustness of our Single Central Record and that our procedures were sound.

It is pleasing to have had this take place so soon after the initial report was returned to us in March, allowing the rightful credit to our teachers and our pupils to be reaffirmed, seeing their success stand that much higher, freed from that particular millstone.

I look forward to seeing many of you at Prize Giving in a few weeks.

Yours sincerely
