Getting to Cokethorpe School

Directions to Cokethorpe School can be found on the main school website: [Contact Us | Cokethorpe School](#)

Drop-off and collection

We are open from 8.30am with final arrival no later than 9.15am. Collection is between 4.45pm and 5.30pm. Pupils will be supervised throughout this time whilst on an end of day activity. Please note, you may be liable to be charged for late collection as per the booking policy.

On arrival at Cokethorpe School, please follow the signs to the drop-off areas in the gravel car park in front of the Mansion House, where you will be greeted by one of our friendly team. We will help ensure you have everything you need for the day before sending your child off to meet the rest of their group. Parking bays are not marked, please park considerately and follow the one-way signage.

Collection will take place from the same area as drop-off. If this is going to be someone different than drop off, you will need to email ahead authorising this change. You will require the four-digit attendance code to collect your child.

During busy periods, you may need to queue when collecting or dropping off, please follow the signs and avoid waiting in the main carpark.

What to expect on Camp

Cokethorpe Camps will have a range of engaging activities throughout the day. A similar programme will be followed each day but will be flexible enough to accommodate the ages and interests of the group as well as the weather! All multi-activity sessions will take place onsite using the amazing facilities at Cokethorpe School.

There will be some flexibility within the age groupings. Please do let us know if you would like to be grouped with other specific children on the day and we should be able to accommodate this.

Lunch and snacks

Please ensure you arrive with a healthy packed lunch, snacks, and water bottle. We recommend bringing a snack for the morning and afternoon breaks to help fuel the fun activities throughout the day.

Please be aware that all lunches, snacks, and food need to be **nut free**.

Medication and special educational needs and disabilities

Please ensure that all medical or dietary requirements are highlighted to Cokethorpe Camps prior to arrival. Any personal medication for the day, including inhalers, epi-pens, or other medication, will need to be signed over to one of the Camp Leaders on arrival.

If anything has changed or you need to update us about any additional needs, please do not hesitate to get in touch by email.

If there are any behavioural patterns, educational needs, or disabilities that we should be aware of, please ensure this has been included in the booking form.
